NAME AND CONTACT INFORMATION OF CONTRACTOR PERFORMING PROPOSED WORK

- Please provide the following to the Town of Yorkville:
 - A completed Land Disturbing Construction Activity Permit application
 - The \$500.00 application fee, made payable to the Town of Yorkville
 - An erosion and sediment control plan, showing how runoff, soil erosion and sedimentation will be controlled during the construction process, which must include the following:
 - All erosion and sediment control plan requirements listed under Town of Yorkville Code of Ordinances Section 10-370(a)
 - An erosion and sediment control plan statement, as required under Town of Yorkville Code of Ordinances Section 10-370(b), which also complies with the requirements under Town of Yorkville Code of Ordinances Section 10-368

By signing this application, the undersigned agrees to do the following:

- To post a surety bond or irrevocable letter of credit to the Town of Yorkville, if required
- To pay an additional fee, if required, to reimburse the Town for engineering-related costs, including costs of inspection, not covered by the application fee
- To follow all permit conditions listed under Town of Yorkville Code of Ordinances Section 10-369(d), and any other permit conditions as established by the Town Board
- To implement best management practices meeting all design criteria, standards and specifications listed in Town of Yorkville Code of Ordinances Section 10-366, unless otherwise approved by the Town Engineer
- To maintain all best management practices required under this permit at all times
- To keep the site open to inspection by the Town Engineer at all times, even before any approvals are granted
