Other – Comments, questions and suggestions

McKinney noted that the main issue he encountered during last week's election was that voters living on 52nd Road, Savage Road and Log Cabin Drive were assigned to the incorrect school district in the poll books provided by Racine County. He added that, once the error was identified, affected voters were provided with the correct ballot. He also added that he printed the property tax bills of the voters affected by this error and forwarded them on to the Racine County Clerk for correction. The Board discussed the low voter turnout at last week's election and what could be done to improve turnout. McKinney noted that the terms of several committee members are set to expire at the end of April. He added that he would contact those committee members this week to see if they would like to be reappointed to their committee assignments. The Board also requested that any bridge inspection proposals that the Town might receive not include inspection of the bridge on 63rd Drive, which was only recently reconstructed.

Adjournment

Motion (McMahon, Gruhn) to adjourn, MC. The meeting was adjourned at 10:11 a.m. The next regularly scheduled Town Board meeting is Monday, April 14, 2014, at 6:00 p.m.
